The European Medicines Agency developed this material to enhance public access to information on the Clinical Trials Information System (CTIS). The Agency does not warrant or accept any liability in relation to the use (in part of in whole) or the interpretation of the information contained in this training material by third parties.

As of GoLive on 31st of January 2022, the Clinical Trials Information System (CTIS) becomes the single-entry portal for submitting clinical trials information in the EU, supporting the day-to-day business processes of authorities and sponsors throughout the life-cycle of a clinical trial.

To get started with CTIS, sponsors must decide their user management approach and complete registrations. A transition period applies: see <u>Guidance</u>.
