(*) The period between PSUR/PSUSA cut-off date and start date is established to allow Marketing Authorisation Holders (MAHs) resolution of any technical issues ahead of the planned procedure start, as well as administrative processing of starting PSUR/PSUSAs by the Agency. In order to manage the missing April start date, the cut-off periods for March and May starts are adapted.

The Agency strongly recommends submitting the application before the legally binding submission deadline as stated in the List of Union reference dates (EURD list). This is to avoid missing the target start date as a result of a technically invalid eCTD submission, in which case the submission is considered void and it needs to be re-despatched.

(**) Comments from PRAC, CAT or CHMP members are not made available to Marketing Authorisation Holders (MAHs).

(***) An updated AR is optional and dependent on the comments received from the MAH and PRAC members which create the need for the update.

(^) A CAT/CHMP opinion step applies only in case of PRAC recommendation for variation to the terms of marketing authorisation.
